TW // sexual harassment, abuse

Hey everyone. My name is Cibles. I'm writing on behalf of Ava. We both have been in VC going through all of Shayy's DMs with Ava so we both know the context well. The reason I'm writing instead of her is because Ava can't find a way to word everything properly. Ava had the final say on everything written here.

We've decided to release another document outside of my own because Ava's experiences weren't really well represented in the one documenting my experiences. There is so much more vile and disgusting shit that Shayy has done to her and her experiences need to be put out there just as much as everyone else's. The document will detail the exact timeline of when Ava met Shayy, to the recent days leading up to their exposal.

(Additional context: Ava refers to me as both Hazel and V in this document. Hazel is what I used to go by and V is my preferred irl name.)

-

Ava had been a fan of Shayy since 2021. She would actively watch their content and look up to them as a content creator and a streamer. So much so that she got into Undertale speedrunning herself as inspiration. Ava wouldn't be in direct contact with Shayy until late 2022, though they wouldn't have much of a conversation until 2024. This was because Ava met me (Cibles), which caused her to talk more frequently with Shayy because I was already friends with Shayy. This would cause her to gain more confidence in DMing and talking to them on a semi-frequent basis.

Their first initial conversations started out as you would expect any normal friendship would. Most conversations would be about random topics and short.

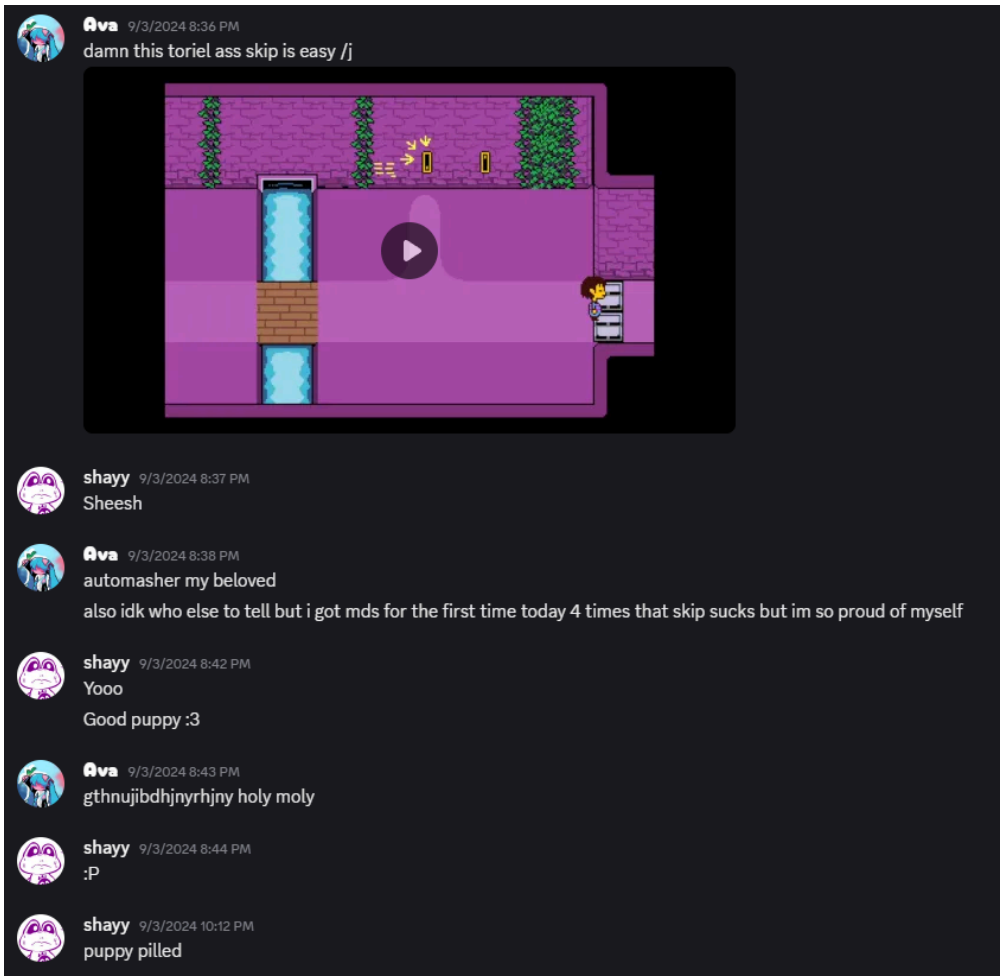
how have you been we dont really talk or know eachother at all (edited)

That all changed one day, when Shayy made a weird comment out of the blue towards her.



Ava 9/3/2024 8:36 PM

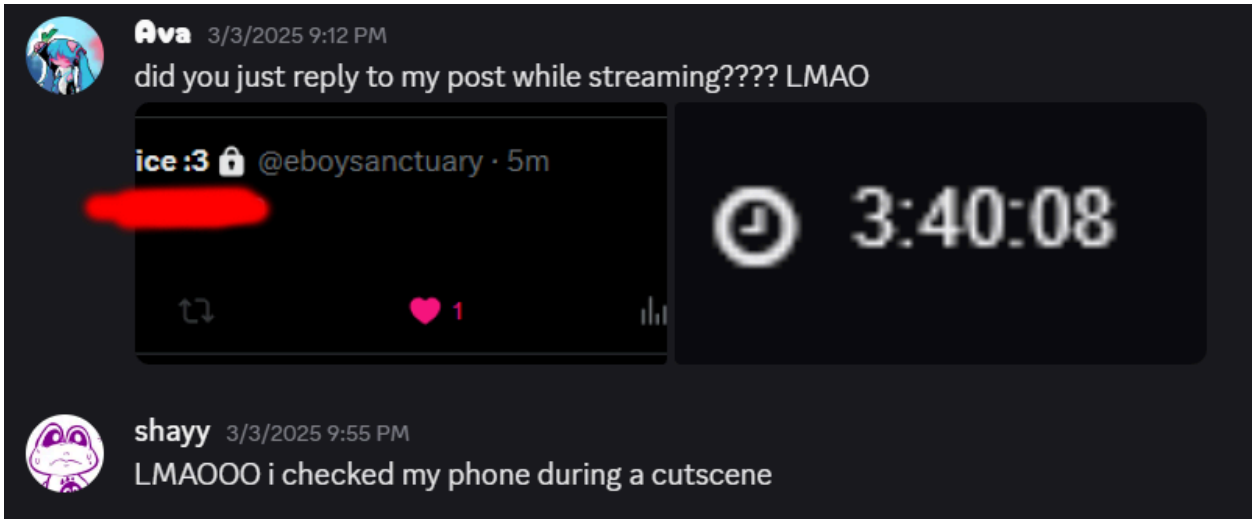
shayy 9/3/2024 10:12 PM
puppy pilled

Out of nowhere, Shayy would call her a “good puppy”. Ava made no advances on Shayy before this point and none of their conversations remotely referenced this kind of language.

These messages from Shayy would slowly ramp up over time.

The next time that Shayy would display this kind of behavior was when Ava asked them to follow her on Bluesky. It's worth noting here that Ava still looked up to Shayy as one of their favorite creators. This kind of language should definitely not be exchanged with someone who is an active viewer and fan of yours.

Ava and Shayy's messages would continue to get more and more explicit. They would get closer as friends and eventually they would exchange lewd account information. Shayy would interact with it, even while streaming.



Ava 3/3/2025 9:12 PM
did you just reply to my post while streaming???? LMAO

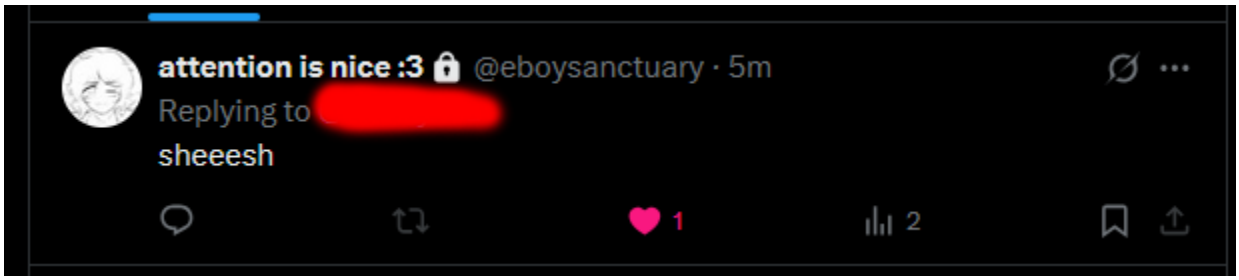
LMAOOO i checked my phone during a cutscene



Despite them exchanging lewd account information, most of their DMs with each other still weren't super super explicit. Most of it was just teasing each other or offhanded compliments.

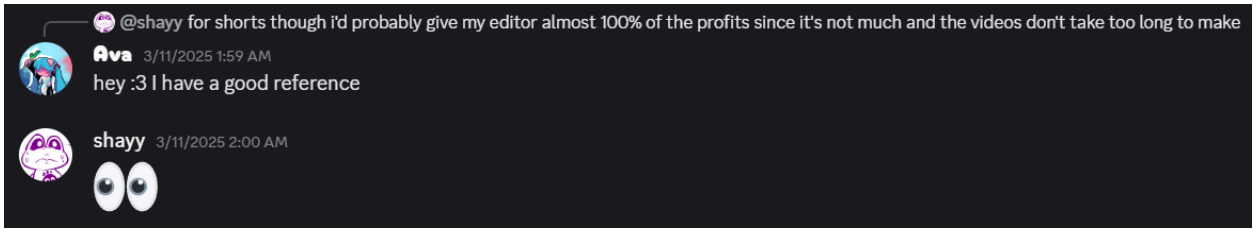
shayy 3/10/2025 2:54 AM
nya :3

The "blind ain't nothing to me man" is referencing Balatro and Dracula Flow

Shayy would eventually bring up the thought of having a YouTube Shorts editor. At this point Ava was already working for me, so this definitely piqued her interest. Especially when Shayy was offering 100% of the revenue Shorts make, just like I do.

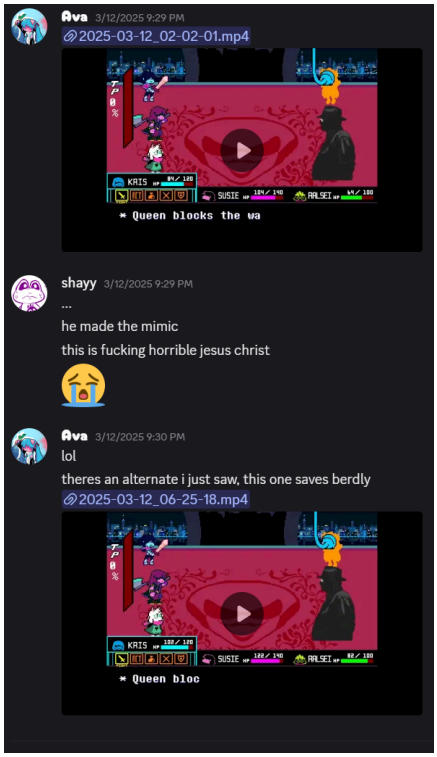


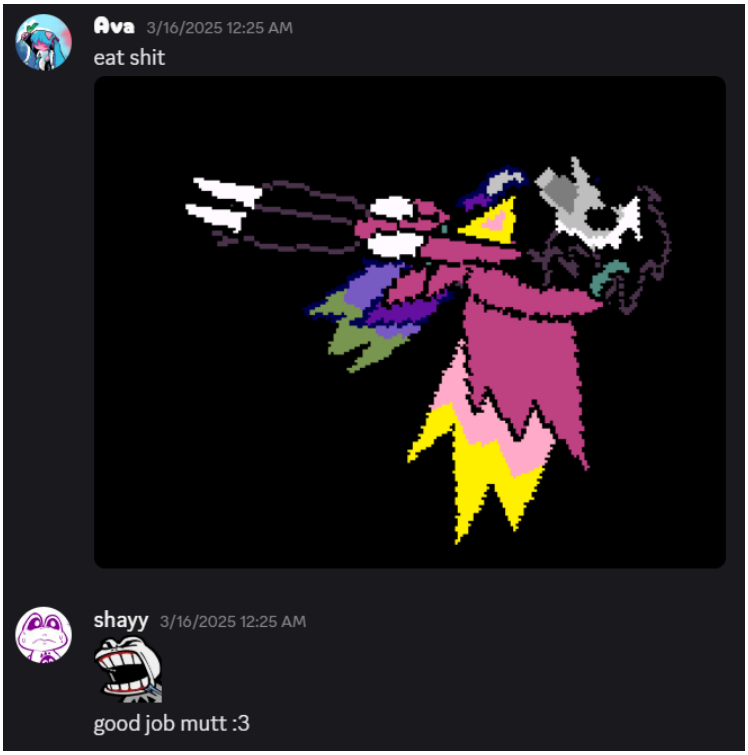
@shayy for shorts though i'd probably give my editor almost 100% of the profits since it's not much and the videos don't take too long to make
Ava 3/11/2025 1:59 AM
hey :3 I have a good reference
shayy 3/11/2025 2:00 AM

The flirting, though, would rapidly get more and more intense with time. It eventually turned into full on roleplay.

Ava was forced into being the “dominant” one in all forms of roleplaying. When asked if she had fun, she responds with “Yep!”, but this was because she didn’t want to hurt Shayy’s feelings, because she looked up to them.

Once the roleplaying had started, Shayy would frequently start demonstrating a lack of interest in normal conversation. Oftentimes, either ignoring conversations or trying to start flirting when the topic wasn't related to flirting.





Shayy would also begin DMing Ava whenever they wanted to flirt or roleplay with her, to the point where it was almost daily. This, while also still having no interest in normal conversations.

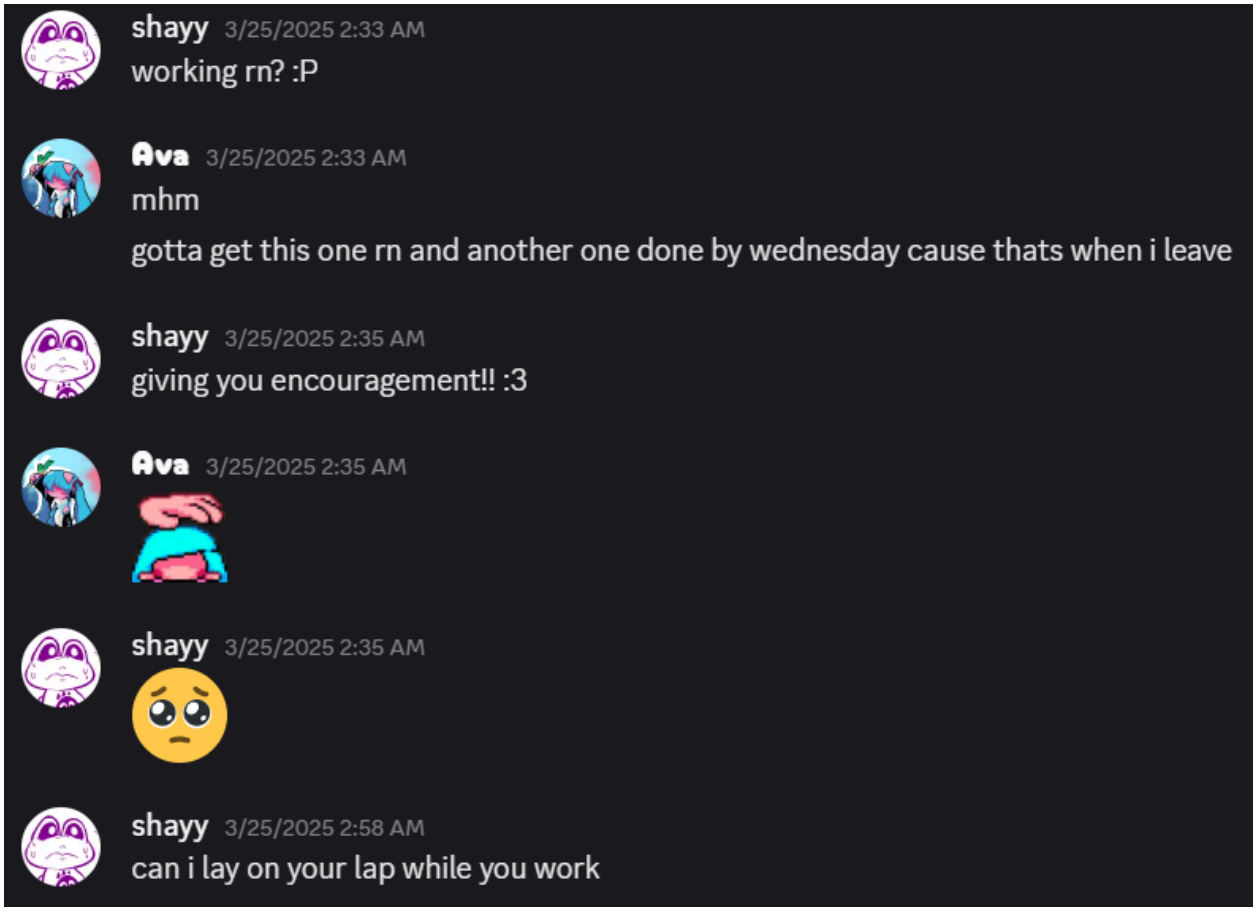
When Ava was working, Shayy would often still attempt to flirt with her, even when she was trying really hard to focus on work.



shayy 3/25/2025 2:33 AM

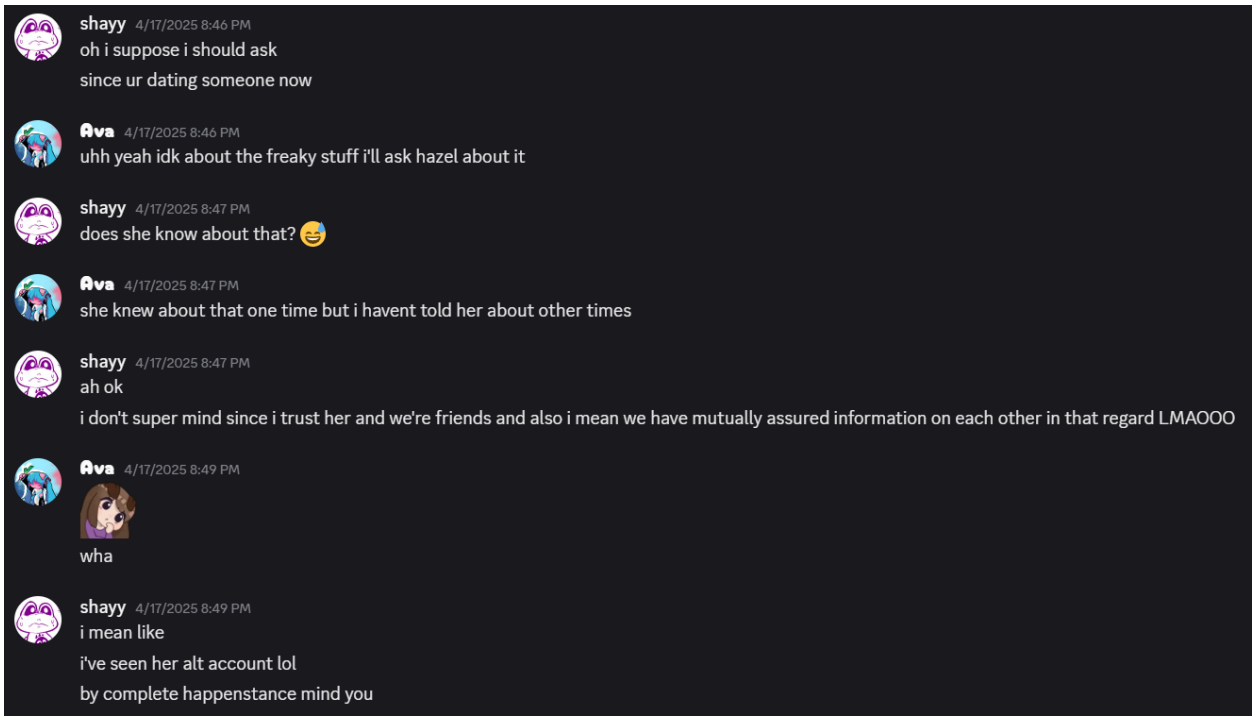
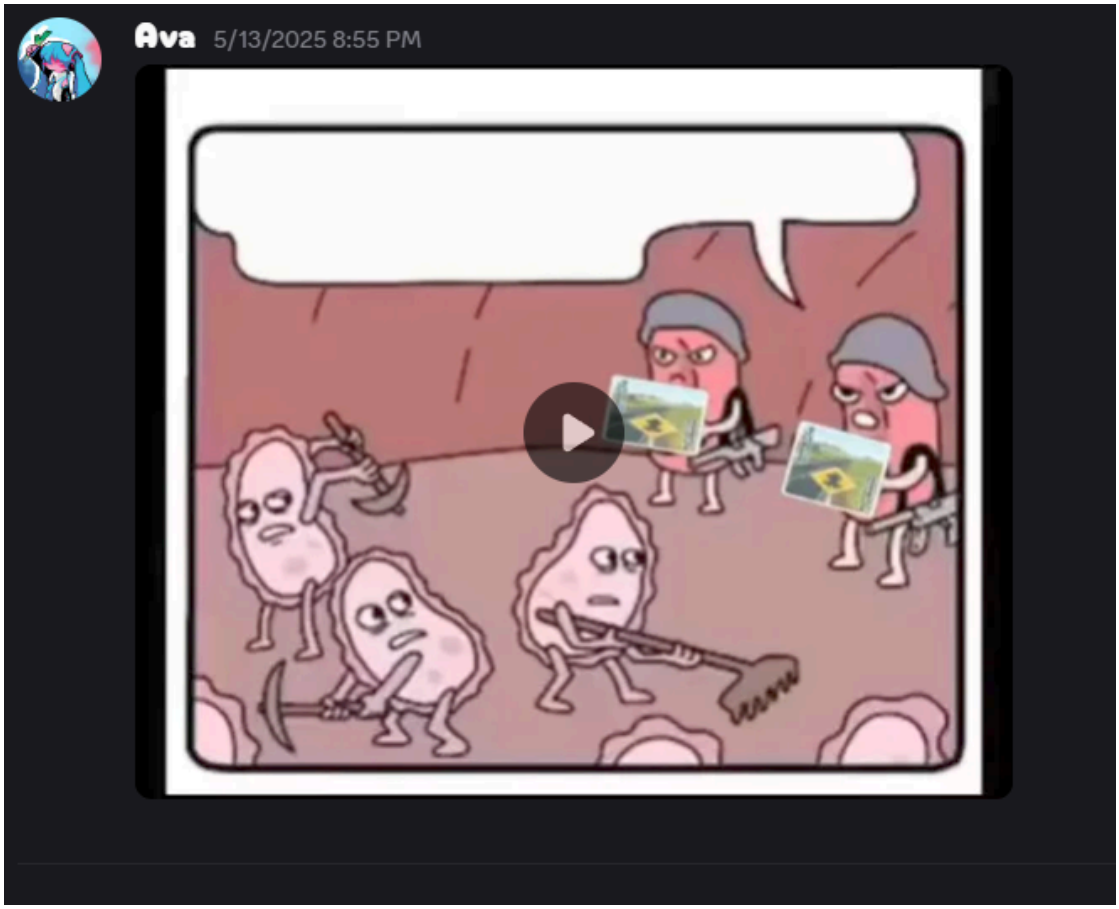
shayy 4/5/2025 8:17 PM
oo sorry am i distracting you?
Ava 4/5/2025 8:18 PM
nah nah ive been distracting myself with wanting to upgrade my pc too lol
gonna finish this short then take a shower
shayy 4/5/2025 8:18 PM
distract yourself with me tbh
:3

Eventually, me and Ava started dating, so Shayy asked if she was still okay doing sexual and flirty stuff with her. Shayy also “found” my alt account by “happenstance”.



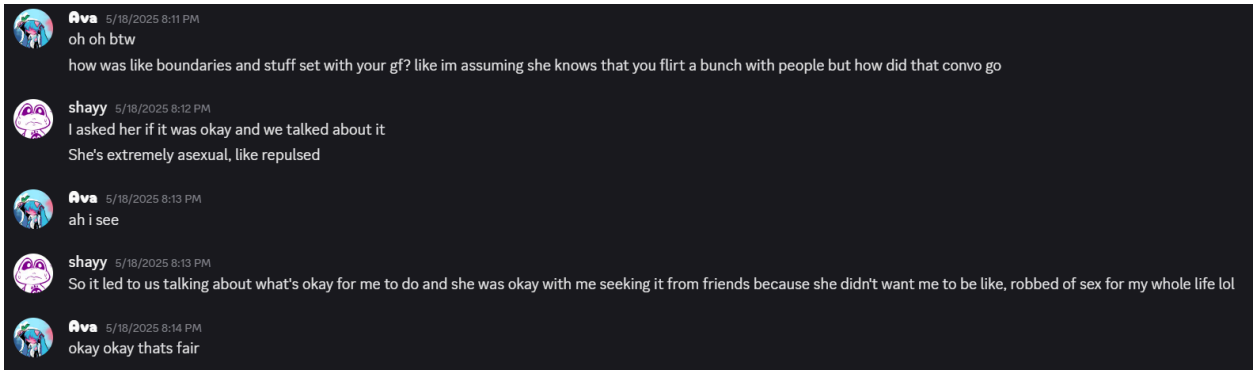
shayy 4/17/2025 8:46 PM
oh i suppose i should ask
since ur dating someone now
Ava 4/17/2025 8:46 PM
uhh yeah idk about the freaky stuff i'll ask hazel about it
shayy 4/17/2025 8:47 PM
does she know about that?
Ava 4/17/2025 8:47 PM
she knew about that one time but i havent told her about other times
shayy 4/17/2025 8:47 PM
ah ok
i don't super mind since i trust her and we're friends and also i mean we have mutually assured information on each other in that regard LMAOOO
Ava 4/17/2025 8:49 PM
wha
shayy 4/17/2025 8:49 PM
i mean like
i've seen her alt account lol
by complete happenstance mind you

After this point, Shayy stopped flirting with her, but also showed no interest in having any sort of conversation with her.



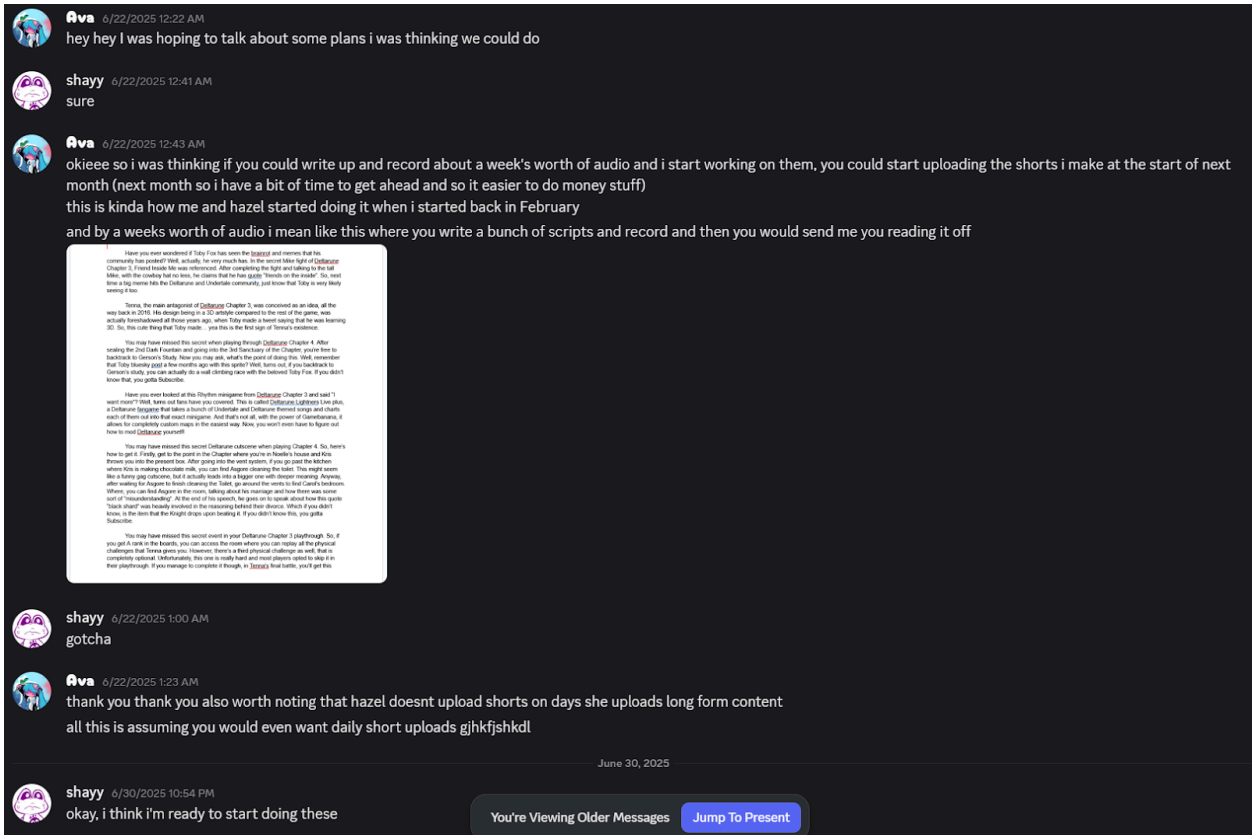
Despite not having permission to flirt with her, Shayy still did in fact try to do so.

Ava then asked what Shayy's boundaries are with their girlfriend. Asked out of curiosity.



Ava 5/18/2025 8:11 PM
oh oh btw
how was like boundaries and stuff set with your gf? like im assuming she knows that you flirt a bunch with people but how did that convo go
shayy 5/18/2025 8:12 PM
I asked her if it was okay and we talked about it
She's extremely asexual, like repulsed
Ava 5/18/2025 8:13 PM
ah i see
shayy 5/18/2025 8:13 PM
So it led to us talking about what's okay for me to do and she was okay with me seeking it from friends because she didn't want me to be like, robbed of sex for my whole life lol
Ava 5/18/2025 8:14 PM
okay okay thats fair

From this point onward, Ava and Shayy began working together and discussing plans on YouTube Shorts.



Ava 6/22/2025 12:22 AM
hey hey I was hoping to talk about some plans i was thinking we could do
shayy 6/22/2025 12:41 AM
sure
Ava 6/22/2025 12:43 AM
okieee so i was thinking if you could write up and record about a week's worth of audio and i start working on them, you could start uploading the shorts i make at the start of next month (next month so i have a bit of time to get ahead and so it easier to do money stuff)
this is kinda how me and hazel started doing it when i started back in February
and by a weeks worth of audio i mean like this where you write a bunch of scripts and record and then you would send me you reading it off
shayy 6/22/2025 1:00 AM
gotcha
Ava 6/22/2025 1:23 AM
thank you thank you also worth noting that hazel doesnt upload shorts on days she uploads long form content
all this is assuming you would even want daily short uploads gjhkfjshkdl
June 30, 2025
shayy 6/30/2025 10:54 PM
okay, i think i'm ready to start doing these

In this screenshot, you'll realize that on June 30, almost 10 days after, is when they finally said that they're "ready to start doing these". This was the day I sent them a picture of my boobs (refer to my document for context, and note the timezone difference between mine and Ava's dms.)

Shayy would still try to initiate flirting. Despite still not getting the stuff to Ava that she needed.

Ava would still try to get the Shorts stuff she needed from Shayy. Then on July 29th, 30 days after they were supposed to go up, Shayy finally gets what Ava needed to start working on them.

Did you know about this secret unused Undertale dialogue that's still accessible in the game?
In the room where you pick up the Stained Apron, you can use the Punch Card glitch
to overflow text and access a previously unused line of text that's still in the final game.
Mettaton has sent you a Mortal Enemy request. Accept?
Congratulations! You are now mortal enemies with Mettaton. Coolskeleton95 has posted a comment on this change.
CONGRATULATIONS, YOU TWO! WISH YOU A LONG AND HORRIBLE RIVALRY.

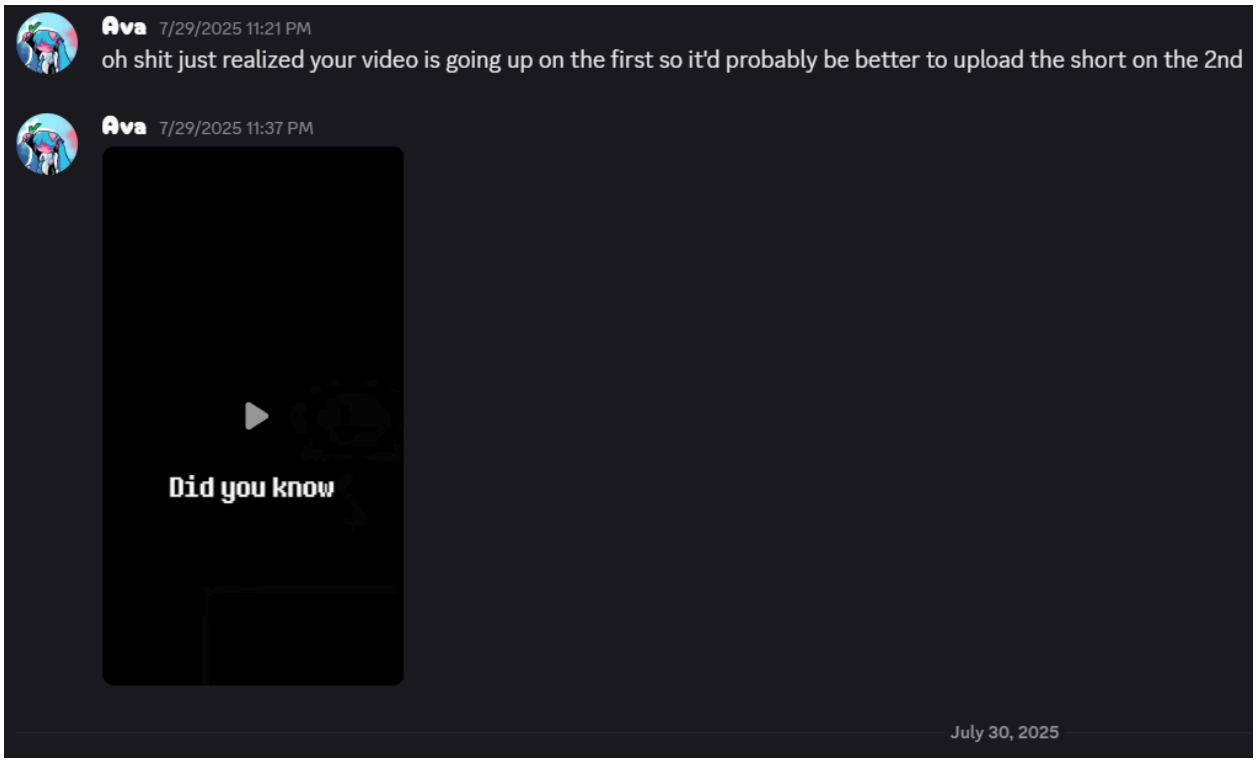
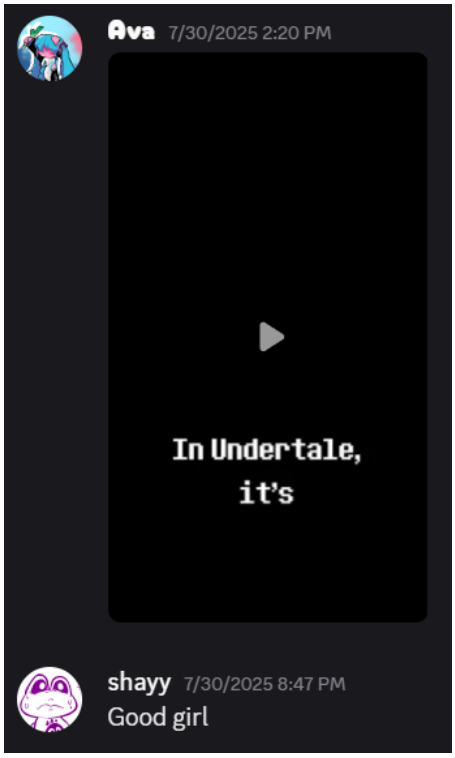
Ava would show progress reports on the creation of Shorts, yet Shayy would lack a response to some.

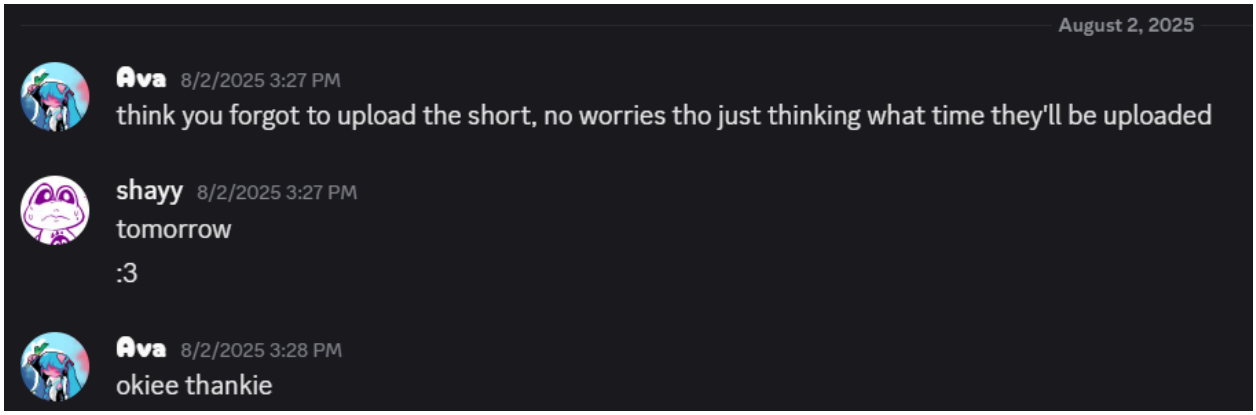


Ava 7/29/2025 11:21 PM
oh shit just realized your video is going up on the first so it'd probably be better to upload the short on the 2nd
Ava 7/29/2025 11:37 PM
Did you know
July 30, 2025

And when they did respond, it was done through flirting.



They would also forget the Shorts upload date on August 2nd and completely miss it.



August 2, 2025
Ava 8/2/2025 3:27 PM
think you forgot to upload the short, no worries tho just thinking what time they'll be uploaded
shayy 8/2/2025 3:27 PM
tomorrow
:3
Ava 8/2/2025 3:28 PM
okiee thankie

While also still flirting with her when she gave them the Shorts.

Here's an

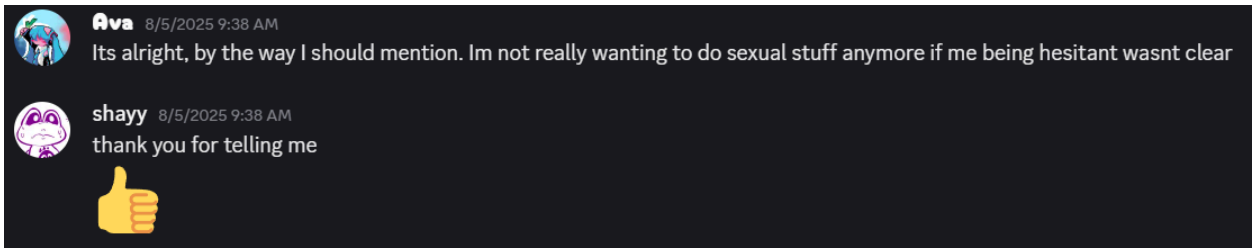
shayy 8/2/2025 7:06 PM
thank you!!! <3
Ava 8/2/2025 7:06 PM
yeah it took a little bit to do that one (edited)
shayy 8/2/2025 7:08 PM

Ava would then restate her boundaries. Explaining that she doesn't want to do sexual stuff anymore.



Ava 8/5/2025 9:38 AM
Its alright, by the way I should mention. Im not really wanting to do sexual stuff anymore if me being hesitant wasnt clear
shayy 8/5/2025 9:38 AM
thank you for telling me

Shayy's responses then got more and more dry. Not responding to friendly messages and didn't respond to her getting Shorts done until days after she finished them.

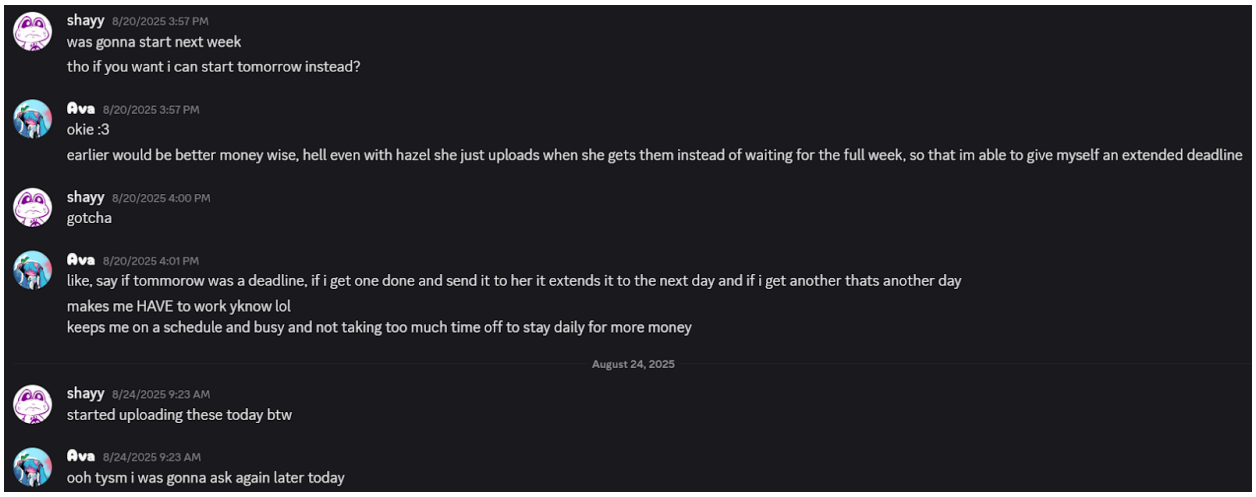
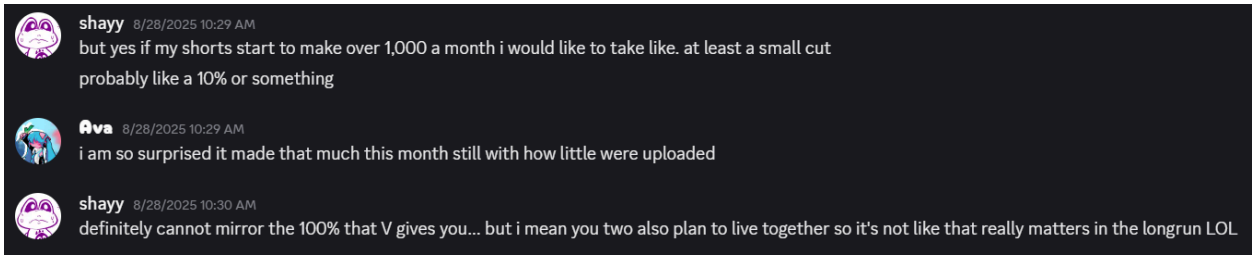
Excellent - no rush on these btw! Gonna have a vid this sunday and then once we have the full batch of them i can do another straight week of these take ur time <3

The next batches of Shorts were ready and Shayy planned to upload them on the 20th of August, but didn't actually manage to until the 24th.



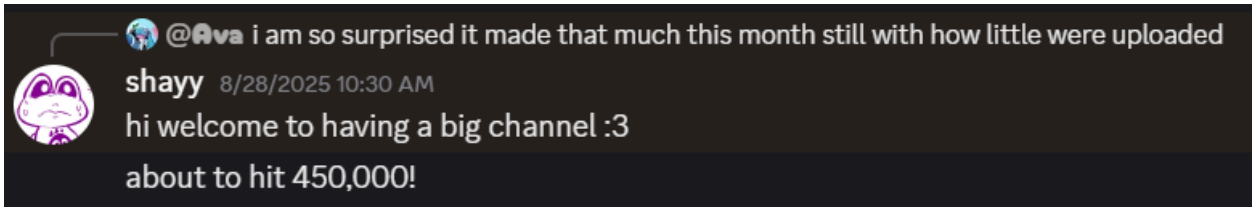
shayy 8/20/2025 3:57 PM
was gonna start next week
tho if you want i can start tomorrow instead?
Ava 8/20/2025 3:57 PM
okie :3
earlier would be better money wise, hell even with hazel she just uploads when she gets them instead of waiting for the full week, so that im able to give myself an extended deadline
shayy 8/20/2025 4:00 PM
gotcha
Ava 8/20/2025 4:01 PM
like, say if tommorow was a deadline, if i get one done and send it to her it extends it to the next day and if i get another thats another day
makes me HAVE to work yknow lol
keeps me on a schedule and busy and not taking too much time off to stay daily for more money
August 24, 2025
shayy 8/24/2025 9:23 AM
started uploading these today btw
Ava 8/24/2025 9:23 AM
ooh tysm i was gonna ask again later today

Shayy then threw around the thought of changing their deal. They originally were planning on giving 100% of the revenue earned from Shorts to Ava, but then said that if they make a lot of money, they'll want to take 10%.



shayy 8/28/2025 10:29 AM
but yes if my shorts start to make over 1,000 a month i would like to take like. at least a small cut
probably like a 10% or something
Ava 8/28/2025 10:29 AM
i am so surprised it made that much this month still with how little were uploaded
shayy 8/28/2025 10:30 AM
definitely cannot mirror the 100% that V gives you... but i mean you two also plan to live together so it's not like that really matters in the longrun LOL

Ava then mentions that she didn't expect to make so much money off of Shorts from Shayy. To which Shayy responds with the fact that they're working for a big YouTuber now…. Egotistical freak.

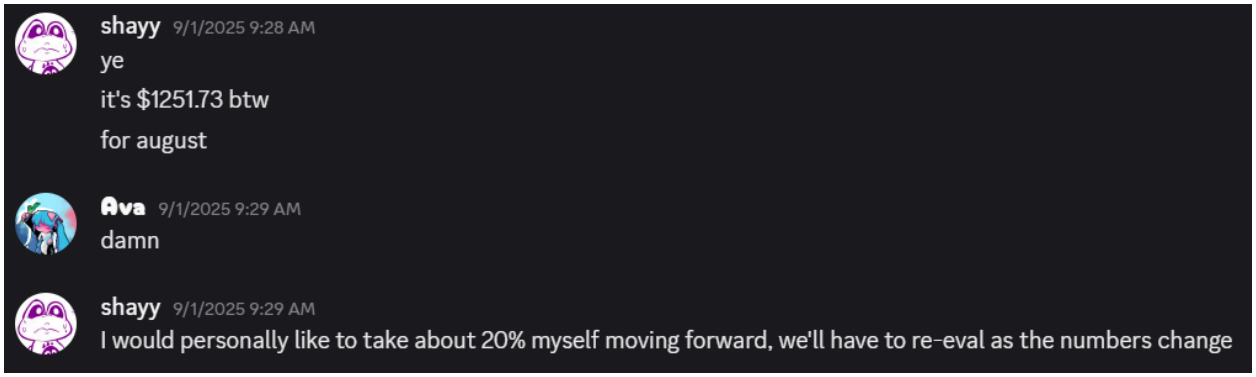


@Ava i am so surprised it made that much this month still with how little were uploaded
shayy 8/28/2025 10:30 AM
hi welcome to having a big channel :3
about to hit 450,000!

In this conversation, they would also flex that they're going to be the biggest YouTuber outside of Merg. While also saying that they weren't a gooner…

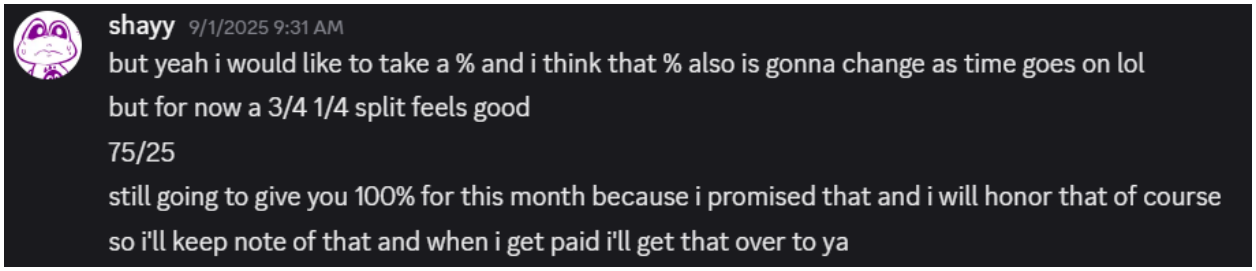
shayy 8/28/2025 10:31 AM
im about to pass mystic
so that will make me the #1 Undertale Youtuber who isn't a Terminal Gooner
Ava 8/28/2025 10:31 AM
wellllllll
shayy 8/28/2025 10:31 AM
merg barely counts as "undertale youtuber" anyway
@Ava wellllllll
shayy 8/28/2025 10:31 AM
WHATS THAT SUPPOSED TO MEAN
Ava 8/28/2025 10:32 AM
i wouldnt say you arn't a gooner
shayy 8/28/2025 10:32 AM
i said not a terminal gooner
Ava 8/28/2025 10:32 AM
mmmmmmm
shayy 8/28/2025 10:32 AM
i keep my shit to myself i'll have you know

Shayy then finally got the revenue information on how much Ava's shorts were made. They then said that they wanted to take 20%. A raise in percentage compared to the 10% they mentioned earlier.



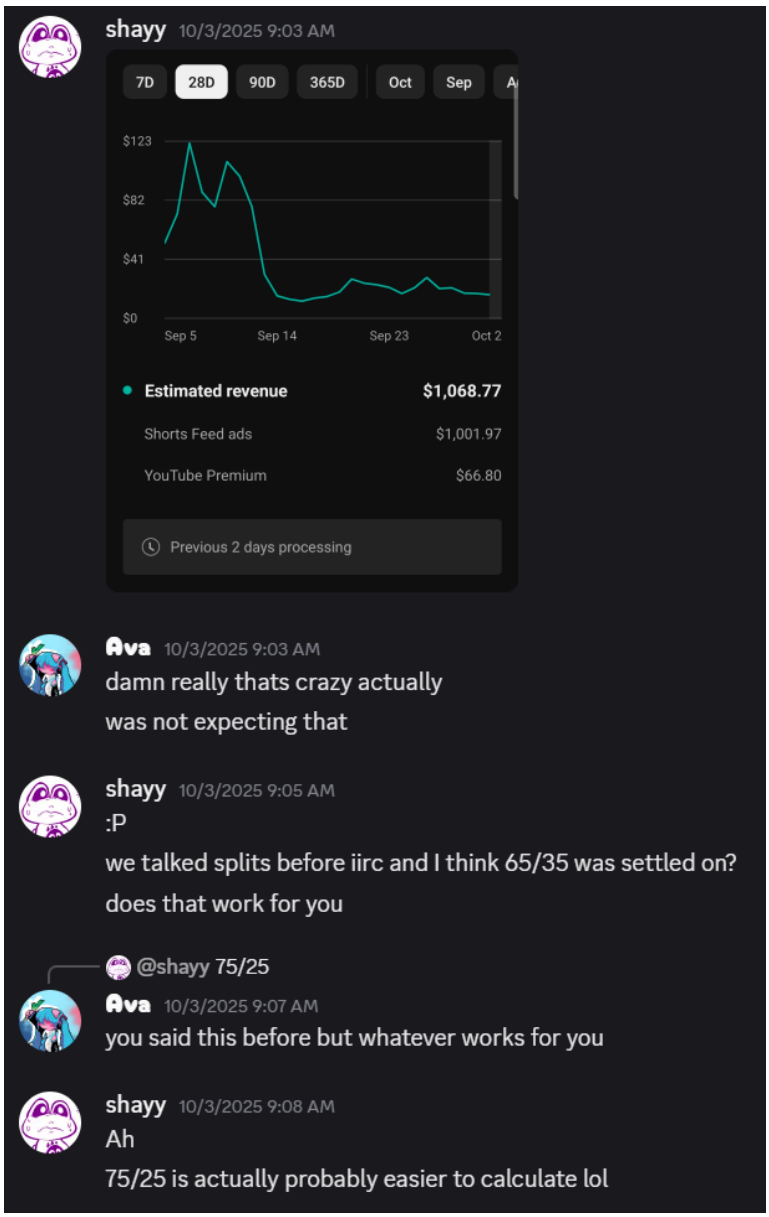
shayy 9/1/2025 9:28 AM
ye
it's $1251.73 btw
for august
Ava 9/1/2025 9:29 AM
damn
shayy 9/1/2025 9:29 AM
I would personally like to take about 20% myself moving forward, we'll have to re-eval as the numbers change

They then raised the percentage split *again* and said they wanted to take 25%.



shayy 9/1/2025 9:31 AM
but yeah i would like to take a % and i think that % also is gonna change as time goes on lol
but for now a 3/4 1/4 split feels good
75/25
still going to give you 100% for this month because i promised that and i will honor that of course
so i'll keep note of that and when i get paid i'll get that over to ya

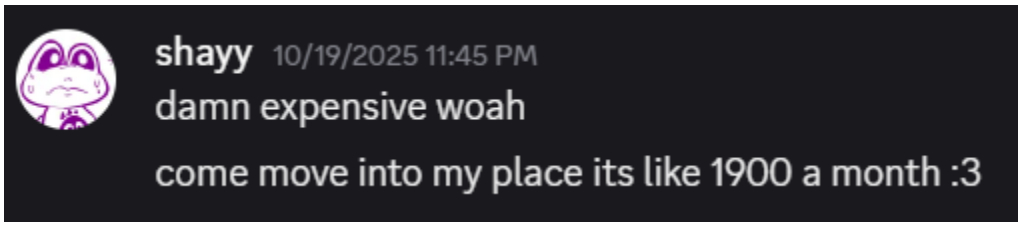
They then attempted to raise it again to a 35% split. Ava stopped them.

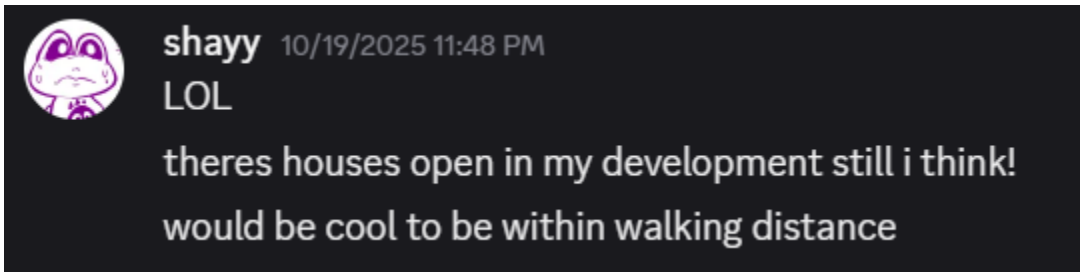


Ava mentioned later that she and I wanted to go to GDQ together and we were planning on meeting up with Shayy there. Considering all the information being released about Shayy's actions at GDQ, we definitely dodged a bullet. Shayy definitely had sinister intentions of us going there, mentioning that they'll "bring the dress". For those wondering, this is referring to a maid dress Shayy had and actively wore when flirting with both me and Ava.

Ava 10/19/2025 11:30 PM
hmu gdq in January ;3
maybe, i just need my realid so i can fly again
ive always wanted to go to a gdq
shayy 10/19/2025 11:31 PM
Ava hmu gdq in January ;3
shayy 10/19/2025 11:33 PM
I do wanna visit you two sometime!!!
~~I can bring the dress too ig~~

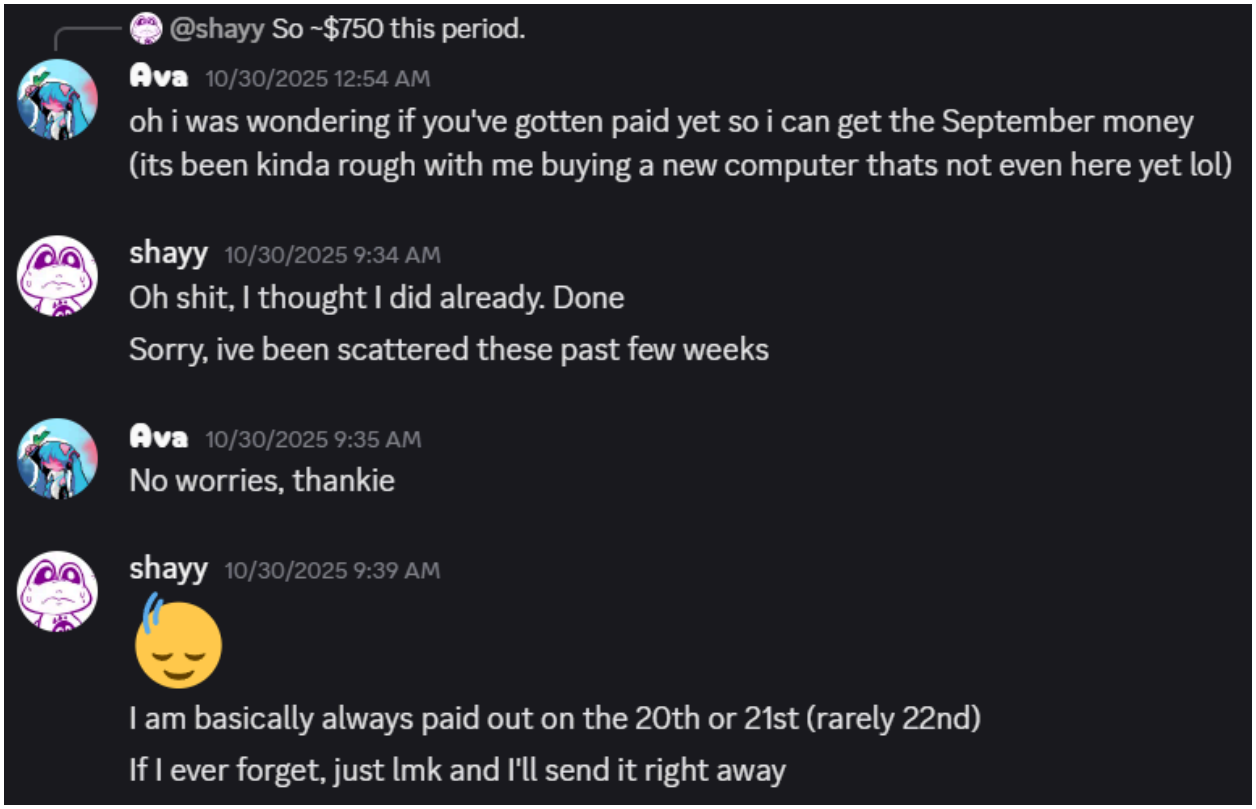
Shayy then mentions that they wanted us to move close to them. Even mentioning that they wanted us in the same housing development as them.





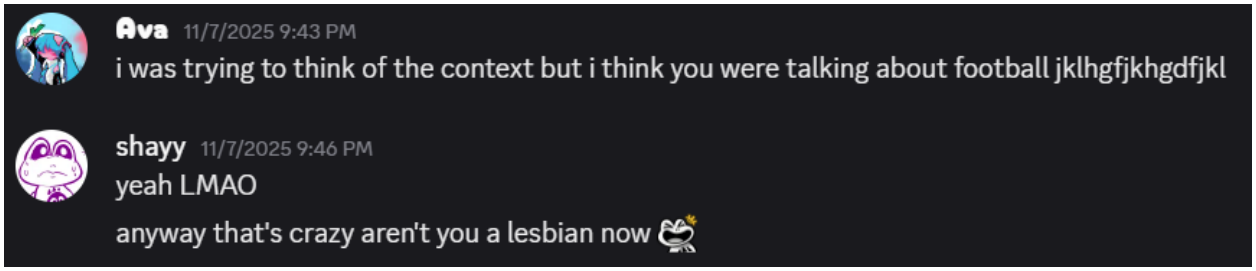
shayy 10/19/2025 11:48 PM
LOL
theres houses open in my development still i think!
would be cool to be within walking distance

Shayy would sometimes miss payment deadlines for Ava's shorts too.



@shayy So ~$750 this period.
Ava 10/30/2025 12:54 AM
oh i was wondering if you've gotten paid yet so i can get the September money (its been kinda rough with me buying a new computer thats not even here yet lol)
shayy 10/30/2025 9:34 AM
Oh shit, I thought I did already. Done
Sorry, ive been scattered these past few weeks
Ava 10/30/2025 9:35 AM
No worries, thankie
shayy 10/30/2025 9:39 AM
I am basically always paid out on the 20th or 21st (rarely 22nd)
If I ever forget, just lmk and I'll send it right away

Shayy would mention that "Ava's a lesbian now" (she's not), but even if she was, this is an extremely weird comment to make, especially when they have been actively flirting with Ava.



Ava 11/7/2025 9:43 PM
i was trying to think of the context but i think you were talking about football jklhgfjkhgdfjkl
shayy 11/7/2025 9:46 PM
yeah LMAO
anyway that's crazy aren't you a lesbian now

At the time that the [original document] was being brought to their attention in private, they were still trying to flirt with Ava.

@Ava Estrogen sure is something
shayy 11/14/2025 5:46 PM
can you force some E down my throat while you ride
Ava 11/14/2025 5:47 PM
ooo didnt know you liked forcefem
shayy 11/14/2025 5:47 PM
hihihihihi

Aftermath

(the following statement has been written by Ava)

When I saw the first willyjwillyj post, I just assumed it was a mental health break, as Shayy has said before that they don't feel respected in the speedrun community.
Then a friend reached out to Cibles saying that it was really serious and that "Shayy's career is over now". We talked with that friend, and a Shayy mod, and I told them my own personal experiences.
I was hesitant at first posting information about it in the Cibles doc because I was scared and I had thoughts in my head saying "It's all your fault".
When the main document was released, it disgusted me. So many people went through what I had gone through, and worse. I have been so stressed to the point where it made me physically ill, throwing up multiple times, losing sleep, and not eating. I was put in a group chat with other people related to the incident who helped me realize that it's not my fault and that I should talk about this.
I don't blame shayy for taking a split of the shorts, it makes sense because it's their channel and other people would not even consider that offer, but trying to continually take more and more of the money when they make so much already is hurtful when I'm struggling.

Thank you for reading and for your time.
